WSD Hires Transportation Supervisor

Morden, Manitoba
Wednesday, June 15, 2022

Western School Division is pleased to announce the hiring of **Adam Adamson as Transportation Supervisor**.

Adam Adamson has been a professional driver since 2002, with a range of experience varying from passenger transport to freight haulage. While spending the last 10 years working as a professional long-haul deck driver, he has also been working towards obtaining his certification in Transportation and Supply Chain Management. His most recent focus was on Transportation Systems, Economic Influences, Logistics Processes and Law with the Canadian Institute of Traffic and Transportation. He also obtained certification from Oxford Cambridge and RSA Examinations board for Road Haulage and Passenger Transport Operations.

Adam was born in the United Kingdom and spent his childhood in Wales and the Netherlands. He feels fortunate to have grown up amongst many different cultures, and as a result speaks multiple languages. Adam has been living in Manitoba since August 2012, and moved to Morden in the Spring of 2021. He is the proud father of two children ages 7 and 14. Adam is looking forward to this new opportunity and serving the community he is proud to call home.

Adam is replacing Allan Toews who is retiring at the end of the school year.

Western School Division is very pleased to announce this appointment. We believe that this announcement is a positive message to our students, staff, and community, and will assist the division in meeting the exciting opportunities outlined in the Board's Priorities Plan.
