Student Services Administrator Hired for Western School Division

Morden, Manitoba

Wednesday, June 14, 2023

We are pleased to announce the hiring of **Carla Wiebe** to the new position of **Student Services Administrator** for Western School Division, effective September of 2023.

Carla began her teaching career in 2006 and moved into the role of resource teacher in 2016. She became the Interim Vice-Principal at Maple Leaf Elementary School in 2022 and since then has maintained a dual role of resource teacher and school administrator. Carla will continue working in a dual role, this time as half-time Interim Vice-Principal, and half-time Student Services Administrator.

Carla has been instrumental in supporting inclusion for all students in the roles she has held with Western School Division. Through collaboration with the student services team, students, their families, and relevant outside agencies, she strives to support the planning and coordination of effective, appropriate and inclusive learning opportunities for all students in Western School Division.

We welcome Carla to this position and look forward to the possibilities this new role will bring to students, staff and families in the new school year.
