Growing School Necessitates Adding Vice-Principal

Morden Manitoba,

Tuesday, December 10, 2019

Western School Division continues to see rapid and sustained growth and Minnewasta School is no exception. Minnewasta School currently has 5 modular classrooms and 328 students. Additional students are expected as the year progresses. As enrolment continues to increase a new Vice-Principal position (0.2 FTE) has been created to meet demand. This position will run for the remainder of this school year. The process to fill the role on a permanent basis will occur in the spring.

Korina Peters has been appointed as the Interim Vice-Principal of Minnewasta School. She began her new duties in the middle of November.

Mrs. Peters has been an educator with Western School Division since 1997. She has worked at Morden Collegiate, École Morden Middle School, Minnewasta School, and Maple Leaf School. Over the years she has been a classroom teacher for a variety of grades, a Resource Teacher and most recently a Numeracy Coach. Korina and her husband, Harvey, both grew up in Morden and raised their two children here as well. When not at school, she enjoys reading, playing board games, and spending time outdoors. Mrs. Peters is excited to return to the Minnewasta School team.

Western School Division is very pleased to announce this appointment. We believe that this announcement is a positive message to our students, staff, and community, and will assist the division in meeting the exciting opportunities outlined in the Board's Priorities Plan.
