FREQUENTLY ASKED QUESTIONS

THE INCIDENT

What happened?

On January 7, 2025, PowerSchool informed Western School Division that it had experienced a cybersecurity incident involving unauthorized access to certain customer information in late December 2024. Western School Division is a customer of PowerSchool, like many other educational institutions across North America. PowerSchool provides a Student Information System (SIS).

PowerSchool also informed us that the unauthorized access included access to information related to Western School Division. PowerSchool will be notifying individuals by email and we understand the email will be sent from **ps-sis-incident@mail.csid.com**. We understand these emails will be sent by PowerSchool in the coming weeks.

Whether or not you receive an email, you may also visit [PowerSchool's website](#) to learn how to activate the identity protection and/or credit monitoring services. Anyone, including those under 18, can utilize the identity protection services. You may not be able to access the credit monitoring services immediately, as PowerSchool is still updating its list of eligible individuals. PowerSchool indicated that its updates should be completed by the end of February. PowerSchool has advised that you can call 833-918-7884 if you have any questions.

We have been informed that PowerSchool has contained the incident and that there is no evidence of malware or continued unauthorized activity in the PowerSchool environment. There have been no operational impacts on Western School Division as a result of this incident.

Who did this and for what purpose?

This incident occurred at PowerSchool. We await additional details about the incident from PowerSchool. Unfortunately, organizations across the public and private sectors are increasingly being impacted by incidents like this.

How did you respond to the incident?

Upon becoming aware of the cybersecurity incident, Western School Division has been working diligently to investigate, to request more details from PowerSchool and ask questions about the details it has provided to date. We have also been investigating this incident ourselves, with assistance from experts. We continue to work diligently to request more details from PowerSchool and ask questions about the details it has provided to date.

PowerSchool has informed us that it has taken various response actions, including containing the incident, informing law enforcement, investigating the incident, conducting a full internal password reset, and tightening password for all its internal accounts.

PowerSchool is in the process of notifying Canadian regulators about this incident. (Western School Division has already notified the Manitoba Ombudsman.) PowerSchool will be notifying individuals by email and we understand the email will be sent from **ps-sis-incident@mail.csid.com**. We understand these emails will be sent by PowerSchool in the coming weeks. Whether or not you receive an email, you may also visit [PowerSchool's website](#) to learn how to activate the identity protection and/or credit monitoring services.
