## DESCRIPTION

Western School Division invites applications for the part-time (0.5 FTE) position of Speech-Language Pathologist.

Functioning under the direction of the Assistant Superintendent, the clinician will work collaboratively with the schools to support and promote student learning. The incumbent will be responsible for providing services to students who have a wide range of communication disorders, complex communication needs as well as students requiring Augmentative and Alternative Communication (AAC), through assessment, observation, consultation, and programming and therapeutic interventions on a range of language, emotional, and speech issues of students.

- The successful candidate must be registered, or be eligible for registration, with the College of Audiologists and Speech-Language Pathologists of Manitoba (CASLPM). Possession of a Master's Degree in Speech-Language Pathology is required for this position.
- Must be in possession of a current School Clinician Certificate (Speech-Language Pathology). (Those eligible for a School Clinician Certificate will also be considered, only for a Term position to start, as outlined in the certification requirements by Manitoba Education).

Functioning within a team environment, the successful candidate must demonstrate excellent interpersonal and verbal communication skills, as s/he will collaborate and consult with parents, educators, and community professionals. Experience providing services to children, including assessment and diagnosis of language disorders, speech sound production, fluency and/or voice disorders/delays. The successful candidate must demonstrate knowledge of and the ability to support the development of appropriate individualized programming to meet the needs of children with speech and language impairments; consult and collaborate with classroom teachers and other staff members to implement strategies that will facilitate the development of speech and language skills; assist in the referral of individuals to outside agencies/specialists in the community as required; actively participate as part of a team in the development of intervention programs, and be able to write clear and effective reports with appropriate school-based recommendations. The ability to communicate verbally in the French language is an asset.

The successful applicant will be required to travel to various school locations. Therefore, a condition of employment is that the incumbent must possess and maintain a valid full Manitoba Class 5F driver's license and an all-purpose insured vehicle with appropriate liability insurance; an equivalent method of transportation to meet the travel requirements will be considered.

A condition of employment with the Western School Division is a **satisfactory Criminal Record Check, Vulnerable Sector Search, Child Abuse Registry Check** and an agreement by the applicant to disclose criminal record and/or Abuse Registry record information to the Division. The successful candidate will be responsible for any service charges incurred. Persons must present this information prior to their first day of work.

The Western School Division is committed to providing an inclusive and barrier-free work environment to all applicants starting with the hiring process. Should you be contacted for the interview, please advise the Division if any restrictions require accommodation. All information received regarding the accommodation will be kept confidential.
