

# 1. Mission and Belief Statements

---

## **Mission Statement**

*Developing people who are rooted in caring and committed to learning.*

## **Belief Statements**

We believe:

- 1.1. Each learner is a valued individual with unique ways of learning.
- 1.2. Each learner needs to be provided with opportunities to develop to their potential.
- 1.3. Each learner needs to be included with their peers.
- 1.4. Each learner needs to develop the abilities to participate in a diverse democratic society as a caring, responsible, self-confident citizen.
- 1.5. Each learner has a right to an education consistent with their needs.
- 1.6. Learning is enhanced by the active partnership of the home, school and community.
- 1.7. Learning occurs best in a safe nurturing environment based on mutual respect.
- 1.8. Learning is a life-long process.
