In order to keep costs down and equitable for all families, Western School Division is working towards an Equity Policy for Student Supplies.

Western School Division Trustees agreed in principle to move towards an Equity Policy. The first step of moving towards equity involves the standardization of a fee for K-8 school supplies. The Board has agreed to pay for the Transportation fee for all students.

Please send student supply fees for supplies on the first day of classes. You can also stop by the office to pay.

Please make cheques payable to École Discovery Trails –
Please include all student names on the memo line that
student fees are being paid for.
