

## Our School Survey Instructions and Information

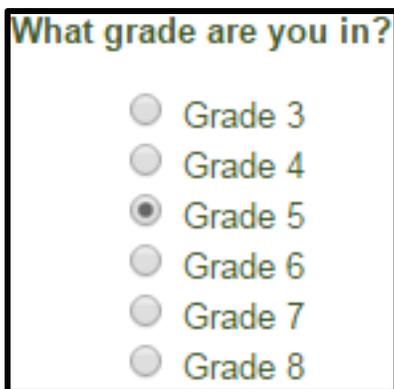

The OurSCHOOL survey gives the school information on how to make things better for students. Based on what information you give in the survey, we can make changes to help improve student experiences at school and help everyone do better.

- The survey is not a test. Your responses will help your teachers and principal learn more about the school and its students.
- The survey is anonymous. No one will know which answers came from you, please be honest.
- Do not put any information that would identify you, like your name or your teacher's name.
- Your answers should reflect what you think, not what your friends, parents, or teachers would want you to say.

You can complete the survey on a computer, iPad or tablet. The website is [www.ourschool.net](http://www.ourschool.net). At that site you will enter the OurSchool username and password given to you from your teacher.

There are two types of questions in the survey:

1. **Multiple Choice:** You will see several possible responses, and may only choose one.

3. **Open Ended Question:** Spelling is not important here, it is important that your opinion is heard.

<p>In this last part of the OurSCHOOL survey, we want you to give us your opinions in your own words. Like before, your comments will be mixed with those of other students, and as long as you do not include your name or other identifying information, we will not be able to tell that they are yours.</p> <p>Please tell us some of the things you really like about your school, or things that would make it even better.</p>	<p>(Maximum characters: 3000) You have <input type="text" value="3000"/> characters left.</p>

Read each question carefully so you know what to do. Take your time answering each question, you **cannot go back to a previous page** to change a response.

You can skip any question if you do not know the answer, or do not want to answer.

If you need help you can ask someone at home to help you or call/message your teacher.

**Thank you for your time and the information to help us make Minnewasta School an even better school for all!**
