

EAL Remote Learning Activities

Week of May 4-8

Below you will find some **optional** activities for your child to do. These activities are meant to be done in English as much as possible. Activities posted will focus on speaking, listening, reading, and writing in English. These are not assigned grades, they are offered to encourage English communication during this time away from the school.

1. Find an English song you like and know the lyrics (words) to. Create a comic strip or set of drawings to show what the lyrics are expressing. Share this with me!
2. Play a game of “I’m thinking of a _____” with someone in your family. This is the game we’ve played many times in class together. Give clues to describe what you are thinking of, start with the category the item is in. Count how many clues and guesses it takes for the person to figure out what you’re thinking of.
3. Write me a letter and drop it off at the school, or email it to me. Tell me all about your life right now, since we can’t see each other to talk about it. If you give me your address, I’ll write you back!

If you have any questions or would like to share images of your child completing these tasks, please email me at cwiebe1@westernsd.mb.ca.
