

# EAL Remote Learning Activities

## Week of May 25-29

Below you will find some **optional** activities for your child to do. These activities are meant to be done in English as much as possible. Activities posted will focus on speaking, listening, reading, and writing in English. These are not assigned grades, they are offered to encourage English communication during this time away from the school.

1. Watch two TV shows, movies, or read two short books and pick two characters. Draw a cartoon of them meeting each other.
2. Use things you can find in your house to invent something new. Illustrate and label it. Write about how you would use this invention to solve a problem.
3. Take a walk in your neighborhood. Use sticks, leaves, rocks, or sidewalk chalk to leave messages for your neighbors.

If you have any questions or would like to share images of your child completing these tasks, please email me at [cwiebe1@westernsd.mb.ca](mailto:cwiebe1@westernsd.mb.ca).
