

EAL Remote Learning Activities

Week of April 13-17

Below you will find some **optional** activities for your child to do. These activities are meant to be done in English as much as possible. Activities posted will focus on speaking, listening, reading, and writing in English. These are not assigned grades, they are offered to encourage English communication during this time away from the school.

1. There are lots of front line workers that are still going to work daily to help others during this pandemic. Write a note of thanks to one/some of them (grocery store clerk, restaurant employee, gas station attendant, nurse, doctor, etc.). If you don't know someone to personally send the note to, email it to me and I'll pass it along on your behalf.
2. Go on a scavenger hunt. See if you can find an item that starts with each letter of the alphabet.
3. Go out to your driveway, or a sidewalk. Use chalk to write jokes, or positive messages for your neighbors to read.

Please feel free to send images of your child completing these tasks to cwiebel@westernsd.mb.ca.
