## Children's Business Market

It has been inspiring to see the overwhelming response to the children's business market from both children, who submitted proposals, and parents offering their support. In total, we received proposals from well over 100 students! Many of these students worked hard on their proposals and put forth creative ideas with great potential. As a result, the committee has decided to honour the student and parent initiative we have seen and invite all students who submitted a proposal to participate in the Children's Business Market on June 3rd.

Proudly hosted by:

**Morden Children's Business Market**  
1st Annual Event

A market where Morden kids develop a brand and create products to sell to customers open to the public!

**JUNE 3 4-8PM**  
AT MAPLE LEAF ELEMENTARY SCHOOL

**FREE ENTRY** FRIENDS & FAMILY WELCOME!
