Minnewasta School

Student Supply List – Kindergarten

In keeping with activity-based learning, teachers will be purchasing appropriate materials. It is hoped that this will provide equal opportunities for the students and be more economical for the children if purchased in bulk. Most classroom supplies will be available for individual use so there will be less use of shared supplies this upcoming year. There may be a few occasions where specific supplies are bought and used as a “shared” supply (ex. oil pastels or crayons for art).

1. **Student fees - \$25.00** (to purchase pencils, pencil crayons, crayons, markers, glue, etc.)
 - a. **If you wish to pay multiple student fees (siblings) with one payment, payment must be made at the Office.** Any individual payments should be handed to the classroom teacher. Please make cheques payable to Minnewasta School.
 - b. For your convenience, we will also accept e-transfers. E-transfers will be accepted beginning Mon. Aug. 31st. You are welcome to pay for more than one child in a single e-transfer, list names & teachers in comments section. **Please see further instructions on the back of this page.**
2. 1 pair of non-marking velcro runners for inside only (compulsory) labelled with name
3. 1 LARGE backpack labelled with name INSIDE

****Please ensure that all of your child’s footwear and outdoor clothing is labelled.****

Anyone wishing to make a financial donation towards school supply fees for families in need, please make cheques payable to Western School Division (add “Minnewasta School supply fees” in the memo portion) and submit to the School Office. Tax receipts will be issued for amounts of \$20 or more.

At Minnewasta School we are teaching our students how to do their part to help the environment. Our school recycles plastic, aluminum, milk cartons, paper and cardboard. We also spend time educating our students on what materials can go into our compost. We would like to encourage our families to use reusable containers from home in their child’s lunch. By using these we will greatly reduce the amount of garbage that is going into our landfill. Please help us help the environment.
