

Permission Form for Student Work and Photo Display

To follow the laws that protect children's privacy we need your permission to display your child's work in public places and/or to have your child's photo appear in public.

We want to promote the talents of our students and we will continue to post students' work and photos within the school.

In addition we may want to display students' work and/or photos publicly. These displays will sometimes include the child's name along with the work or photo (e.g. grad photos may be with names; brochure photos may be without names).

Examples of displaying work in public include:

- Work posted in stores around town
- Work posted in newspapers and/or school newsletters
- Art shows (e.g. Festival of the Arts)
- Science Fairs

Examples of displaying photos in public include:

- Picture in the newspaper or school newsletter (e.g. graduating class)
- Picture in Division promotional materials (e.g. brochures, website)
