

Morden Collegiate Parent Advisory Council Contribution Form

Hello Parents/Guardians:

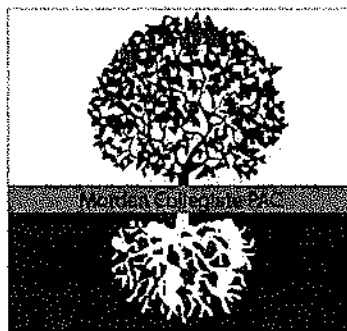

This year we are again asking for a \$10 contribution per student from each family in lieu of fundraising. Our goal is to use these contributions as our budget so we don't need to do any fundraising during the school year.

Here are some ways PAC funding has supported the school in the past:

- Supporting student learning by bringing in inspirational speakers
- Supporting parents and students through speakers and support groups that train and educate on social media use, and other challenges facing students like mental health issues.
- Staff Appreciation Month
- Student Appreciation packages
- Academic Student Award Scholarships
- Picnic tables in front of school

Please help support our students by providing \$10/student cash, cheque written out to MCI PAC, or e-transfer to mcipac@westernsd.mb.ca (no security question is necessary for deposit) by Friday September 13th.

Please join us on the first Monday of each month (with the exception of our first meeting being this coming Monday Sept 9th) at 7pm in the school library as we connect with our Principal Ms. Sigurdson to learn what is happening in our school and have the opportunity to ask questions, give suggestions and be involved in our students learning. This year we are excited about the addition of a special topic at each meeting (see the website for more details of each month's topic).

PAC is for all parents

Come out and help support your school by attending; we don't exist without you.
