Western School Division Hires Principal

Morden, Manitoba, Tuesday, February 22, 2022

Western School Division is pleased to announce the hiring of Tania Sigurdson to the role of Principal of Morden Collegiate beginning in September of 2022.

Tania brings with her a career in leadership with a focus on building relationships and connecting with community. A lifelong learner, Tania studied at the University of Manitoba completing her Bachelor of Arts (Drama/Indigenous Studies), Bachelor of Education Post-Baccalaureate Diploma in Education and her Certificate in School Leadership. She is currently enrolled at Brandon University completing her Master of Education with a focus on Educational Administration.

Since moving to Morden in 2011 to accept a teaching position at Morden Collegiate, she and her family have happily made Morden their home. Tania is the proud parent of Morden Collegiate Alumni, Jordan (Class of 2020) and upcoming graduate Nicholas (Class of 2022). In her spare time, Tania is a volunteer community soccer coach as well as is a member of the board of the Pembina Valley Humane Society.

With a focus on connecting with staff, students and community, Tania notes that she is very excited to begin her new role of Principal of Morden Collegiate in the upcoming school year.

Western School Division looks forward to Tania's growing leadership role in our school community and the contributions she will bring to the opportunities that exist within the Board's priorities plan.

We extend our gratitude to Janice Bonner who has filled the Interim Principal role for last two school years at Morden Collegiate, for her leadership and support of students, families and staff.
