## Grade 10 Mathematics

There are two math courses at the Grade 10 level - Essentials in Mathematics 20S and Introduction to Pre-calculus and Applied Mathematics 20S. For graduation, you are required to obtain credit in one of these two courses. If you would like to take both Grade 10 Math courses, select one here, and the other in the Grade 10 Electives section (priority given to the choice selected here). If, in your Grade 9 year, you already obtained a credit in Essentials in Mathematics 20S, do not re-enroll in the course for a second time. Note that there is both an English Program and French Immersion Program option for each course. French Immersion students can choose to take Grade 10 Math in either English or French.
